Printing**

CANON IR ADV c3530

Feature- Highlight Style

- "Brilliant colour. Sharp details. Zero compromise. Canon IR ADV C3530."
- "Quiet, fast, and powerful — the perfect multifunction device for busy offices."
- "High-speed performance with exceptional print clarity."

Key Advantages of Canon IR ADV C3530

MULTIFUNCTIONALITY

- Print, copy, scan, send, and store are standard. Optional fax means it's very versatile. Canon Latin America+2Canon U.S.A.+2
- Great for offices that need an all-in-one device, reducing the need for separate machines.
- Good Print Speed
- It can do up to 30 ppm (pages per minute) for both color and black & white. bostoncopier.com+2Copy Pro+2
- This is decent for a mid-to-high volume office.
- High-Quality Output
- Print resolution goes up to 1200 × 1200 dpi, which means sharp text and good color quality. canon.a.bigcontent.io+1
- Reading resolution (for scanning) is also high: 600 × 600 dpi. Canon User Manual
- Large Paper Capacity
- Standard paper capacity is 1,200 sheets, and it can go up to 2,300 sheets with the right configuration. Copy Pro
- This helps reduce the frequency of reloading paper, good for busy environments.

Virtual Presence

High Storage / Job Handling

- Supports up to 100 user mailboxes + multiple confidential inboxes. [Canon Latin America](#)
- Can store up to 30,000 pages on its internal storage. [Canon Latin America](#)
- Helps in document management and retrieving past jobs.

Energy Efficiency / Eco-Friendly

- ENERGY STAR certified. [Canon Latin America](#)
- EPEAT Gold rating (indicates good environmental performance). [Canon Latin America](#)
- Default two-sided printing helps reduce paper usage.

Security Features

- Has authentication and access control: Universal Login Manager, Department ID authentication. [Canon Latin America+1](#)
- Data protection: TPM, hard disk encryption, password-protected mailbox. [Canon Latin America](#)
- Secure printing: secure print options to avoid unauthorized access.

RICOH MPC2504

Key Advantages of RICOH MPC2504

Virtual Presence

Multifunction Capabilities

- Copy, print, scan (and optionally fax) in one device. fsm.com.my+2Ricoh+2
- Document feeder (ARDF) for scanning/copying multi-page originals.

High Resolution Output

- Print resolution up to 1200 × 1200 dpi. [Ricoh+1](#)
- Copy resolution: 600 dpi.

Memory & Storage

- Standard: 2 GB RAM; expandable up to 4 GB. [Docusafe Sdn Bhd+1](#)
- Internal HDD: 250 GB. [Ricoh+1](#)
- Document server (for storing jobs): can store up to 3,000 documents, with up to 2,000 pages per document.

25 ppm High-Speed Printing – Delivers crisp documents in seconds

- ◆ **Vivid Color Output – Perfect for presentations & marketing materials**
- ◆ **Smart Touchscreen Panel – Easy navigation like a smartphone**
- ◆ **Scan to Email/Folder/USB – Instant document sharing**
- ◆ **Duplex Printing – Saves paper, saves cost**
- ◆ **Robust Security Features – Protects your important data**
- ◆ **Energy Efficient – Low power consumption for eco-friendly operations**
- ◆ **Compact Workhorse – Ideal for small to medium offices**

RICOH MPC3504

Key Advantages of RICOH MPC3504

- Up to 35 pages per minute (ppm) in colour (and monochrome) for A4 size. Printers & Presses+3Ricoh+3Copier Catalog+3
- Maximum print resolution of 1200 × 1200 dpi, giving good quality colour output. Ricoh+1
- Paper capacity expandable: standard trays + optional large capacity trays bring the maximum up to 4,700 sheets. Ricoh+2Manuals++2
- A large 10.1-inch smart operation panel (touchscreen) with “pinch/zoom/swipe” style UI for ease of use. Ricoh+1
- Strong scan/copy features: includes a Single Pass Document Feeder (SPDF) — can scan duplex (two-sided) at up to ~180 images/minute. Manuals++1
- Mobile/remote print support and cloud connectivity options. Ricoh+1
- Advanced finishing and paper-handling options (e.g., thick stocks up to 300 gsm, banner printing, etc). Ricoh+1
- Good eco-credentials: a “motion sensor” to wake it when you approach, low typical electricity consumption (TEC) of ~1.3 kWh/week. Manuals++1

Virtual Presence

Footprint & Weight

100 kg and quite substantial size, this is a serious device — ensure you have the space and proper electrical/ventilation setup.

Optional Finishing / Trays

If you're doing special print jobs (large format, thick stock, banners, booklets), you may need optional finishing modules — check cost and compatibility.

Workflow Integration

If you're often printing for content creation (e.g., portfolios, photo prints, brochures), ensure the colour accuracy is acceptable and that you can manage the finishing/print workflow efficiently.
